**NOVEMBER 2016**

## MASTER BOARD NEWS

Good news! The pool refurbishing has been approved. Ordering of new pool furniture and re-strapping of some existing chairs has begun, taking about 3 weeks. The tentative November pool party will be delayed until January to celebrate our beautiful pool area. The proposed 2017 Budget will be coming soon in your mail. It will be approved at the next Master Board Meeting **Monday, Nov. 28, at 6:00** - all residents are welcome to attend.

The Master Board is sad to report to you that there has been a security problem at your clubhouse. It has been misused and we need your help to report any unusual goings on there.

Several ladies reported recent evidence of people using and ABUSING the clubhouse complex Labor Day weekend. Luckily, no serious damage was done and this may be an isolated incident.

Whoever did this had access to IPV and a key to the clubhouse.

The Master Board asks the homeowners to notify a Board Member immediately when it is suspected that the clubhouse is being misused. The Board Member will investigate and if needed phone the police to report the incident.

We hope that this is just a one-time occurrence but, with your help we can keep watch over the security at IPV.

Sincerely,  
Your IPV Master Board

#### **CALL GIRLS**

Another fun and entertaining evening was enjoyed by a dozen or so of our single ladies, known as the Call Girls. Joan Marshall was kind enough to share some very funny and interesting stories of her life when she was performing on Broadway. She performed "Sez I" from Donnybrook! on the Ed Sullivan Show and Eileen found it on YouTube and the group was able to enjoy it, too.

The food was, as usual, outstanding. In fact, it was so good, we'll do it again next month, **the second Tuesday of the month, the 8<sup>th</sup> of November**, which also happens to be election night. We meet in the Clubhouse at 5PM, if you're single, living in IPV, just bring a dish to share and join us. We'd love to have you. If you have any questions, call Sue (437-1493) or Eileen (923-2031).

## INTRODUCTION TO ELECTRONIC COMMUNICATION

**Tuesday, Nov 15th at 10 am**

Are you thinking about getting an electronic device such as a computer, notebook, I-Pad, tablet etc.? Or do you already have one that you are not using because you are too uncomfortable with it? The Communication Committee is offering a presentation to help you select a device and want to help you become familiar enough with it to visit the IPV website and get connected to other residents and even your families. You could be enjoying pictures of IPV activities and reading our newsletter on line! This will be the first of a series of workshops to help our residents. You don't need to have any device for this session in fact we prefer if you don't bring anything. We will follow this session up with a second one on **Monday, November 28th at 10**, called Getting Connected.
